***Item 1. Edits to Phase II Report:***

The committee discussed a series of edits to the Phase II report which had been raised in an email by member Harlee Strauss dated January 5, 2007. The edits included borrowing language from the Town of Natick personnel policy to make the language about diversity consistent with town policy; adding "dining" to the list of activities in the Natick Center vision statement; and removing the term "key populations" on page 8. There was some discussion about the edits on page 10 but the committee decided to leave that language alone.

**Motion**

To accept the edits as discussed and approve the edited report for submission to the sponsoring boards. Moved by Ms. Evans, and seconded by Mr. Richards, voted 6-0-0.

The meeting was adjourned at 6:42PM.
