

Natick 360

Honoring Our Past. Planning Our Future.

Joint Board and Committee Meetings¹ February 12 and 13, 2007 * Agenda

- Objective:* To understand and identify the issues, gaps and barriers to achieving the Natick Vision.
- 7:00 p.m.* Introductions of participants, facilitators.
- Overview of *Natick 360* Strategic Planning Process.
- Review of Natick Value and Vision Statements.
- Instructions:* What are the gaps between Natick today and this Vision for Natick? What are the barriers to achieving the Natick Vision Statements? What are things that will help Natick achieve its Vision Statements? Keep your perspective broad.
- Small Groups:* Brainstorm a list of issues, gaps or barriers that prevent Natick from achieving its vision, as expressed in the Vision Statements. Write down each issue, gap or barrier and be ready to share them with the larger group.
- Large Group:* Report results to the larger group; consultants will facilitate a discussion and work to derive a list of unique items.
- Cluster items into focus area groupings.
- Next steps.
- Process check.
- 9:00 p.m.* Adjourn.

¹ Sponsoring boards and committees include: Board of Selectmen, Conservation Commission, Finance Committee, Planning Board and School Committee.
