### Mission:

The mission of the Natick Department of Public Works is to maintain and improve in a cost-efficient manner the infrastructure, buildings, equipment, and recreational facilities of the Town and be ready and available to provide immediate and professional response to emergency situations.

The Department will provide safe and adequate drinking water and fire protection by maintaining and improving with available resources the water treatment plant, wells and water mains throughout town. The Department will also provide dependable and reliable trash collection and recycling services to the residents of the Town.

The Department will assist, support and cooperate with other Town departments, boards and commissions as well as other municipalities, State and Federal agencies in all relevant activities that promote and benefit the Town and the quality of life for the citizens of the Town.

### Goals:

#### *Improve Financial Controls*

- Develop electronic Purchase Order system
- Create electronic payroll system for DPW

#### *Enhance On-Line Opportunities*

- Work with Finance Director to allow bulky waste pick-up to be schedule/paid on-line
- GIS information – work with Assessors Office to add layers available to public; support Executive Committee of Finance Director
- Include on web “front page” a link to complaint form

## Department: Public Works

### Goals (con't)

#### *Evaluate Opportunities to Restructure Operations*

Consider in-house HVAC service

Consider alternative water billing systems (w/Finance Director)

Participate in evaluation of consolidating Town/School building maintenance

Participate in evaluation of combining LFNR with Recreation & Parks

#### *Miscellaneous*

With Personnel Director, schedule management training for supervisors

Participate in development of "Master Plan" for building maintenance

Participate in Committees on environmental sustainability and energy

Pursue grant for acquisition of land in Aquifer Zone 1

### Budget Overview:

#### I. Main Purpose of the Department

The Administration Division provides all of the supervision, administration, administrative support and secretarial services to the department. Office staff assists residents with questions or concerns relating to rubbish collection, recycling, highway maintenance, land facilities, street lights, snow removal, and water or sewer. The staff is also responsible for:

- weekly payroll and updating/monitoring vacation, sick leave and personal days;
- preparing and processing over 2,900 purchase orders and invoices;
- handling all emergency and storm-related inquiries;
- development and preparation of the annual budget;
- monitoring the budget on a monthly basis;
- working with the Procurement Officer in preparation and review of all bids and construction contracts;
- collecting fees from street openings, water and sewer permits, bulk pick-up, maps, and recycling;
- scheduling final water readings, high water bill inspections, irrigation meter appointments; and
- reporting street light outages to the contractor, and monitoring maintenance and outage reports.

#### II. Recent Developments

- The Division is improving the bulk pickup by providing internet based information and sign-up.
- Continue to improve customer service through a public information campaign using the website and mailings to residents.

#### III. Current Challenges

- Maintain a high level of customer service to all residents.
- Monitor and assist the divisions of the Department of Public Works
- Use available technology to improve day to day efficiency and operations.
- Find ways to maximize the training opportunities as costs increase.

#### IV. Significant Proposed Changes for the Upcoming Fiscal Year and the Budget Impact

- Budget constraints will force reductions in some areas as expenses and salaries increase. The Department of Public Works will look for ways to improve efficiency and maintain level services.
- Continue to monitor the department's energy conservation measures.
- Continue to review of the Fee Structure for all of the department's services.

### Mission:

The mission of the Natick Department of Public Works is to maintain and improve in a cost-efficient manner the infrastructure, buildings, equipment, and recreational facilities of the Town and be ready and available to provide immediate and professional response to emergency situations.

The Department will provide safe and adequate drinking water and fire protection by maintaining and improving with available resources the water treatment plant, wells and water mains throughout town. The Department will also provide dependable and reliable trash collection and recycling services to the residents of the Town.

The Department will assist, support and cooperate with other Town departments, boards and commissions as well as other municipalities, State and Federal agencies in all relevant activities that promote and benefit the Town and the quality of life for the citizens of the Town.

### Goals:

- Develop realistic budgets on maintaining all town assets in "as new condition" yet striving to achieve level funded guidelines.
- Continue to protect and preserve the levels of cleanliness and service as expected by the general public and employees.
- Investigate and institute cost saving equipment, environmental friendly purchases, supplies and labor saving techniques in a combined effort to reduce operational costs.
- Explore new cost effective methods of heating and cooling our facilities.
- Explore renewable energy sources.
- Seek alternative ways of performing repetitive tasks to lower operating costs.
- Lower inventory levels thereby lowering costs.

## Department: Public Works

### **Budget Overview:**

#### **I. Main Purpose of the Department**

The Building Maintenance Division is responsible for the Department of Public Works facility, Town Hall, Library, Police Station, all Fire Stations, Senior Center/Court House, Cole Recreation, Camp Arrowhead, Dug Pond / Memorial Beach, Camp Mary Bunker, the West Suburban Skate Arena, and the former East and Eliot Schools. In order to provide custodial services during the operating hours at each building, the division subcontracts a custodian service. The division utilizes a computerized management system to generate work orders, prepare accurate reports and project workloads. A computerized HVAC system allows the division to monitor and control the temperature and other HVAC functions of the buildings. In addition to routine custodial and maintenance activities for all of the buildings, the division is responsible for all of the service repair and maintenance of the fire alarms, security alarms and HVAC equipment. The division subcontracts all plumbing repairs and maintenance.

#### **II. Recent Developments**

- Replaced carpet at the Morse Institute Library
- Repaired the Town Hall Boiler System.
- Cole Center repairs and upgrades
- Outside Painting at the Morse Institute Library
- Replaced boiler at the Courthouse

#### **III. Current Challenges**

- Continue to purchase environmentally friendly products
- Maintain all town facilities in excellent condition and provide for a high level of clean and safe buildings to the general public and employees
- Find ways to improve efficiency
- Repair or replace the roof and passage doors at the East School.

#### **IV. Significant Proposed Changes for the Upcoming Fiscal Year and the Budget Impact**

- Complete the renovations to the Town Hall and Fire Station #1 HVAC systems.
- Monitor Town Wide HVAC preventive maintenance and repair costs and review alternative methods for staff or contract repairs.

#### **V. On the Horizon**

- Complete the repairs and improvements to Fire Stations #2, 3, and 4.
- Complete the interior painting and carpet replacement at multiple buildings.
- Replace the roof at the Cole Center

### Mission:

The mission of the Natick Department of Public Works is to maintain and improve in a cost-efficient manner the infrastructure, buildings, equipment, and recreational facilities of the Town and be ready and available to provide immediate and professional response to emergency situations.

The Department will provide safe and adequate drinking water and fire protection by maintaining and improving with available resources the water treatment plant, wells and water mains throughout town. The Department will also provide dependable and reliable trash collection and recycling services to the residents of the Town.

The Department will assist, support and cooperate with other Town departments, boards and commissions as well as other municipalities, State and Federal agencies in all relevant activities that promote and benefit the Town and the quality of life for the citizens of the Town.

### Goals:

- Standardize templates for construction plans and specifications so that the Engineer division can increase the number design and construction projects that can be completed in-house. Create an AutoCad field to finish routine so that field survey work can be downloaded directly into a cad drawing and automatically creating the necessary line work.
- Create Standard Operating Procedures for various Engineering division job functions.
- Create a policy requiring a Drain Layers License for sewer; water; and drain service connections.
- Investigate the cost benefit for buying a large scale Copier/Scanner/Plotter so that old paper plans of private developments can scanned and link to various GIS coverage's.

## Department: Public Works

### Budget Overview:

#### **Main Purpose of the Department**

The Engineering Division responds to all inquiries by the public, and provides support to other divisions in Public Works and other departments through the Town. This Division:

- reviews subdivision/site plans for the Planning Board
- reviews development and aquifer protection plans for the Zoning Board of Appeals, and as requested by the Conservation Commission
- inspects developer's work to assure compliance with the approved plans
- recommends bond amounts to protect the Town should a developer not complete their obligations
- updates various Town maps and all Town as-built utility plans/records
- prepares easement plans and documents for Town utility easements
- prepares construction plans, specifications and documents for Town construction projects
- conducts field surveys to determine locations of all water, sewer, and drain lines
- manages the Town's Street Opening Policy, and issuance of all sewer & water permits
- work with the Building Department regarding the issuance of Certificates of Occupancy
- manages Storm Water Management Plan
- manages Town Pavement Management Plan

The Division utilizes computers, GPS and traditional surveying equipment, data collectors, plotters, scanners, Civil 3D design and drafting software, GIS software, and various other software packages to perform these functions.

#### **Recent Developments**

- Coordinate the utility and roadway mitigation projects required by the MathWorks expansion, Chrysler Road Apartments, and South Natick Hills development.
- Manage the construction contract for the drainage and roadway improvements for Glen Street., Speen Street, and Union Street.
- Implement an online trench permit form to be used by DPW; Building Inspector's office; and BoH. The new trench permit will be cross-referenced with other project related permits, such as a Building Permit, Sewer & Water Connection permit, ect.

#### **III. Current Challenges**

- Continue to achieve the stated goals in the Town's Storm Water Management Plan . As required by law, apply for a new MS4 General Permit through the EPA which will require the Town to create a new 5 year Stormwater Management Program with an increase effort in illicit discharge detection; water quality monitoring; and requirements to implement low impact development standards.
- Continue to investigate cost effective measures to increase the number of streets resurfaced as part of our yearly roadway improvements contract.

### Mission:

The mission of the Natick Department of Public Works is to maintain and improve in a cost-efficient manner the infrastructure, buildings, equipment, and recreational facilities of the Town and be ready and available to provide immediate and professional response to emergency situations.

The Department will provide safe and adequate drinking water and fire protection by maintaining and improving with available resources the water treatment plant, wells and water mains throughout town. The Department will also provide dependable and reliable trash collection and recycling services to the residents of the Town.

The Department will assist, support and cooperate with other Town departments, boards and commissions as well as other municipalities, State and Federal agencies in all relevant activities that promote and benefit the Town and the quality of life for the citizens of the Town.

### Goals:

- Work in concert with other departments and our insurance supplier to provide driver training to reduce accidents and vehicle damage.
- Retrofit, reuse and recycle more equipment within the town to maximize the useful life of all equipment.
- Continue the fuel conservation program to reduce fuel consumption.

# *Town of Natick*

## Department: Public Works

### **Budget Overview:**

#### **Department of Public Works Equipment Maintenance Division**

##### **I. Main Purpose of the Department**

This division maintains all of the town's fleet of vehicles. This fleet includes vehicles from Police, Fire, Recreation Bus, Town Hall, Schools and Community Farm as well as Public Works. These consist of cars, cruisers, fire trucks, loaders, sanders, rubbish packers, plows, dump trucks, recreation buses, lawn mowers, pumps, and all emergency generators located throughout the town. The division also maintains the fuel depot on West Street.

##### **II. Recent Developments**

Dealing with the cost increases for parts, tires, and fluids.  
Dealing with overtime costs related to the disability absence of one full time staff member.

##### **III. Current Challenges**

Increased prices in fuel, fluids, steel, parts, and tires  
Locating parts and keeping old equipment road ready

##### **IV. Significant Proposed Changes for the Upcoming Fiscal Year and the Budget Impact**

Additional cost for fuel and lubricants due to oil price increases  
Maintaining level service given these increases and budget constraints  
Instability of fuel and oil prices make budgeting difficult

##### **V. On the Horizon**

ISO 14001 Certification of the Equipment Maintenance Division  
Training to maintain proficiency as we upgrade equipment and replace staff.

Department: Public Works Division: Equip. Maint.

Narrative:

## **Personnel Services:**

**Salaries: Supervisory:** Salary to fund the position of Supervisor for Equipment Maintenance who oversees this division.

**Salaries: Operational Staff:** Salaries to fund the eight mechanic/welders who repair and maintain all of the town – owned vehicle and equipment including automobiles, trucks, generator sets, fire apparatus, off road equipment and the neighborhood buses.

**Supervisory Additional Compensation:** This fund is for the education incentive stipends, service award and deputy director stipend.

**Operational Staff Additional Compensation:** This fund is for longevity and temporary upgrades.

**Operational Overtime:** This fund is for emergencies, callbacks and repairs after normal operating hours.

## **Purchase of Services:**

**Vehicle Inspection Stickers:** This fund is for the annual safety/emissions Registry of Motor Vehicles stickers for all town registered motorized vehicles. This year commercial vehicle inspection stickers increased from \$29.00 to a minimum fee of \$124.00

**Vehicle Supplies – Oil Lubricants:** This fund is for engine, transmission and hydraulic fluids, grease, etc. for all the equipment.

**Rental and Leases of Uniforms:** This fund is for the mechanics/welders' uniforms and cleaning service per union contract.

**Repairs and Maintenance Radios:** This fund is for the repairs and maintenance of all public works two-way radios.

## **Other Services (Misc.):**

**License/CDL and Special:** This fund is for the reimbursement to the employees for license renewals, CDL, Hoisting, etc.

**Clothing Allowance Operational Staff:** This fund is for the tool allowance and winter jackets per union contract.

## **Supplies:**

**Shop Supplies:** This fund is for shop tools, rags, small equipment and meeting registrations.

**Vehicle Supplies/Tires:** This fund is for the purchase of all tires, wheels and tubes for the town owned equipment.

**Vehicle Supplies/Parts:** This fund is for all parts used on vehicles and equipment needed to maintain and repair the fleet including filters, lights, engine parts, radiators, springs, etc.

**Body Damage and Repairs:** This fund is to cover accident damage and small body repairs that is not recovered from insurance.

## **Other Capital Outlay:**

**Surplus Equipment Purchase:** This fund is used for the purchase of surplus, demo and used equipment and trucks.

## Mission:

The mission of the Natick Department of Public Works is to maintain and improve in a cost-efficient manner the infrastructure, buildings, equipment, and recreational facilities of the Town and be ready and available to provide immediate and professional response to emergency situations.

The Department will provide safe and adequate drinking water and fire protection by maintaining and improving with available resources the water treatment plant, wells and water mains throughout town. The Department will also provide dependable and reliable trash collection and recycling services to the residents of the Town.

The Department will assist, support and cooperate with other Town departments, boards and commissions as well as other municipalities, State and Federal agencies in all relevant activities that promote and benefit the Town and the quality of life for the citizens of the Town.

## Goals:

Set-up a system for better tracking the taxpayers' complaints, problems, and suggestions . This would include tracking details by geographic area, street, taxpayer, and logging every call or email. This would allow the division to look for systematic problems and allocate appropriate resources in a more efficient manner.

Department: Public Works

## **Budget Overview:**

### **I. Main Purpose of the Department**

The Highway and Sanitation department is responsible for highway and road maintenance, repair, snow removal, signage, and street markings. The division is also responsible for recycling (both curbside and at the recycling center) and solid waste removal.

The Division maintains the 145 miles of road in town. The Division:

- performs paving (small hot top jobs, potholes, hot top curbing, some sidewalk paving)
- performs all street painting (crosswalks, fog lines and center lines)
- makes all street signs and letters all municipal vehicles
- sweeps streets and cleans and repairs all catch basins
- identifies drainage outfall pipes as part of our storm water management program
- assists the Engineering Division in supervising contract paving
- plows streets, all schools, municipal lots and designated sidewalks and manages contracted plow services
- conducts all road sanding and salting; removes snow from downtown when warranted
- collects and disposes of all of the Town's solid waste.
- collects yard waste each spring and fall
- conducts contract oversight for curbside recycling, and manages the Town Recycling Center

### **II. Recent Developments**

New long term contract with Wheelabrator of Millbury will decrease cost of future tipping fees as of March 2009. The arrangement with the Town of Wellesley for the disposal of paper and cardboard collected at the Recycling Center (result of the closing of the Natick Paperboard) appears to be working well.

### **III. Current Challenges**

Budget concerns as the cost for materials and labor increase.

Changes to the Toll structure (increases or elimination) make the budget process difficult.

Department: Public Works      Division: Highway      Line-Item Detail

## Personnel Services:

**Salaries Supervisory:** To fund the position of Supervisor of Highway who oversees this division.

**Salaries Operational Staff:** To fund twenty-four employees positions who maintain and repair the roadways in the town, collecting trash and operating the recycling center.

**Salaries Temporary Operational Staff:** This fund is for police details for work done in the roadways and summer employees.

**Supervisory Additional Compensation:** This fund is for education incentive stipends and service award.

**Operational Staff Additional Compensation:** This fund is for longevity, differential pay and temporary upgrades per union contract.

**Operational Staff Overtime:** This fund is for emergencies and callbacks after normal operating hours.

## Purchase of Services:

**Equipment Repairs/Maintenance:** This fund is for rental equipment.

**Test/Disposal of Street Sweepings:** This fund is use to have an outside contractor to test and dispose street sweepings and catch basin material.

**Purchase Services Crack Sealing:** This fund is for sealing certain roads to prolong their use and to minimize pothole repair.

**Purchase Services Sand and Gravel:** This fund is for the purchase of sand, gravel and stone from an outside vendor since the gravel pit operation has ceased.

**Landfill Cap Maintenance:** This fund is for the repairs and maintenance of the 34 acres landfill in accordance with all State and Federal regulations.

**Condensate Disposal/Flaring Station:** This fund is for the testing and disposal of liquid condensate from the operation of the Flaring Station.

**Landfill Gas/Flaring Station Maintenance:** This fund is for the maintenance and operational expense for the gas Flaring Station.

**Yard Waste Brush Grinding:** This fund is for the operation and maintenance of the brush grinder used at the Recycling Center.

**Purchased Services Miscellaneous:** This fund is used for membership dues, cellular phone and pagers.

## Other Services (Misc.):

**License/CDL and Special:** This fund is for the reimbursement to the employees for license renewals, CDL, Hoisting, etc.

**Clothing Allowance Operational Staff:** This fund is for the tool allowance and winter jackets per union contract.

## Other Supplies:

**Maintenance Materials:** This fund is for tools (saw, blowers, power tamps, rollers and wheel barrels), safety equipment, cold patch and other equipment.

**Off Street Drainage:** This fund is for all basin repair materials (block, brick, catch basins, manholes and pipe) and other equipment for drain work.

**Recycling Center Maintenance and Supplies:** This fund is for all supplies and materials for the operations at the Recycling Center, including tarps for the roll-off containers, spill containment items and cleaning products.

**Traffic Markings and Signs:** This fund is for road painting (center and side lines, crosswalks and parking spaces) and the material needed to make street signs including blanks, reflective paper and posts.

**Waste Bags – Pay as you Throw:** This fund is for the purchase of the PAYT bags that are sold in various retail stores in town.

**Other Supplies: Misc.:** This fund is for all materials and supplies used by the Division including gloves, cleaning products and deodorant for the trucks, dumpster covers and repairs, spill equipment and other safety supplies.

## **Other Charges & Expenditures:**

**Snow Removal:** This fund is for snow removal including road salt, liquid deicer, employee overtime, snow contractors and other expenses related to snow removal.

**Household Hazardous Waste Disposal:** This fund covers the cost associated with the proper disposal of all household and municipal hazardous waste. This involves the disposal of waste oil, paint and paint related material, abandoned waste left throughout Town at the roadside, materials for all municipal buildings such as fluorescent lamps and ballast for electrical fixtures.

**Street and Sidewalk Maintenance:** This fund is for the completion of all the town's paving including bituminous concrete and castings and for repairing sidewalks throughout the town.

**Tipping Fees Yard Waste:** This fund is for the proper disposal of all yard waste collected at curbside and at the Recycling Center.

**Tipping Fees- Solid Waste** This fund is for all disposal costs for solid waste. The primary disposal site is the Millbury Waste-to-Energy facility. The tipping fee covers any additional cost for Federal and State mandated environmental pollution retrofits at the Millbury Facility such as Mercury separation plans, landfill ash stabilization process, various scrubbers.

**Recycling Curbside:** This fund is for the cost of the current contract with Waste Management for collection, transportation and processing of recyclable materials collected curbside.

**Recycling- Education Materials:** This fund is for additional public education materials in addition to the DEP supplied materials such as the calendar. Due to budget cuts at DEP, the calendar will not be available for next year. In past years the bulk of this money has been used to purchase recycling bins for the residents.

**Transportation-Hauling Tolls:** This fund is for all costs associated with the Mass Turnpike including all DPW vehicles equipped with the appropriate turnpike readers.

### Mission:

The mission of the Natick Department of Public Works is to maintain and improve in a cost-efficient manner the infrastructure, buildings, equipment, and recreational facilities of the Town and be ready and available to provide immediate and professional response to emergency situations.

The Department will provide safe and adequate drinking water and fire protection by maintaining and improving with available resources the water treatment plant, wells and water mains throughout town. The Department will also provide dependable and reliable trash collection and recycling services to the residents of the Town.

The Department will assist, support and cooperate with other Town departments, boards and commissions as well as other municipalities, State and Federal agencies in all relevant activities that promote and benefit the Town and the quality of life for the citizens of the Town.

### Goals:

- To provide safe, clean parks, playgrounds and athletic fields for the residents of Natick.
- To move our field maintenance program toward an environmentally safe, sustainable, organic based management plan.
- To continue to repair or rebuild overused and abused sites to make them safe, presentable and representative of Natick's commitment to excellence.
- To move toward a central control system for all 12 of our irrigation systems with a goal of providing better oversight, water management and conservation.

## Department: Public Works

### Budget Overview:

#### **Department of Public Works Land Facilities and Natural Resources**

##### **Main Purpose of the Department**

The Land Facilities and Natural Resources Division are responsible for the maintenance of over sixty sites which comprise more than seventy acres. Of these seventy acres, fifty-three and one-half acres are mowed by a contractor and the remaining acres are mowed by the division. The Division maintains twenty-one baseball/softball fields, eight tennis courts, nine basketball courts, sixteen playgrounds, the high school track and Memorial Beach. The division is responsible for aerating, seeding and fertilizing all fields as well as field lining for all sports. The Division also maintains eleven automatic irrigation systems. The division is responsible for the care and maintenance of all public shade trees, grinding stumps, cutting brush and pruning and removing trees.

##### **Recent Developments**

Continued maintenance and upgrade of multiple recreation areas throughout the town. Recent completion of the math works field and recreation areas near the Lilja School on Oak Street. These were converted from the DPW Gravel Pit.

##### **Current Challenges**

Implementation of the Vegetation Management Plan to address issues such as roadside poison ivy and other noxious weeds

Continue to provide proper maintenance to the athletic fields, parks and playgrounds in order to keep them in a safe and excellent condition.

Continue to rebuild various sites that have been in disrepair over the last several years.

Upgrade our irrigation systems to include metering and computerization to allow operation from one central location to reduce water use.

The division is currently handicapped by the loss two staff members to long term injuries.

The division is struggling with a conflict of goals to purchase organic materials ("green") versus keeping budgets as low as possible.

##### **Significant Proposed Changes for the Upcoming Fiscal Year and Budget Impact**

This budget will allow the division to complete most of the anticipated maintenance tasks. Stump grinding, tree service operations, and maintenance projects will be prioritized and completed according to need.

##### **On the Horizon**

Resurfacing of the Memorial Field track

There are other projects in the planning stages in the high school area that are on hold for the time being until a site is confirmed for the new high school that is on the horizon.

Department: Public Works

Division:

LF & NR

## Personnel Services:

**Salary Supervisory:** Funds the department Supervisor who also serves as Tree Warden.

**Salaries Operational Staff:** Salaries to fund the 8 staff employees.

**Salaries Temporary Operational:** Funds to pay for police details for tree removals/pruning and misc. roadside work when necessary, part time employees to maintain flower gardens and part time summer help.

**Supervisory Additional Comp.:** This funds contractual obligations for continuing education, degree stipend, and performance evaluation.

**Operational Staff Additional Comp.:** This funds Union contractual obligations for working out of classification.

**Operational Staff Overtime:** This funds Union contractual obligations for work performed outside normal hours of operation.

## Purchase of Services:

**Purchased Services Misc.:** This funds the purchase of misc. supplies, association dues, pesticide license renewals, conference fees.

## Other Services (Misc.)

**Licenses-CDL and Special:** This funds the reimbursement of employees for license renewals (CDL, Hoisting, etc.) per contract agreement.

**Clothing Allowance Operational Staff:** This funds the clothing allowance for employees per contract agreement.

## Technical & Professional Services:

**Tree Service:** This funds the pruning and removal work done by outside contractors, poison ivy control in the parks and on school

grounds, Hemlock Woolly Adelgid sprays, Dutch Elm Disease controls and deep root fertilization. New contracts and the number of trees that need to be removed for safety require additional funding for FY2010.

**Mowing Service:** This funds the mowing of 16 sites which cover 51 acres of grass by an outside contractor as needed.

## Supplies:

**Materials Field Maintenance:** This funds the purchase of pelleted lime, fertilizer, turface, infield mix, herbicides, pesticides,

contractual pesticide and herbicide applications, irrigation supplies, irrigation repairs, mutt mitts and dispensers, bark mulch grass seed, loam, topdressing materials, fence repairs, and many other misc. items as needed. Use of "green" products and the overall cost of fertilizer require additional funding for FY2010.

**Materials Playgrounds:** This funds the purchase of playground resilient materials and parts needed to make repairs.

**Materials Beach Maintenance:** This funds the purchase of beach sand, turn boards, fence repairs, and repairs to the piers and playground equipment.

**Materials Planting:** This newly established line item funds the purchase of a limited number of trees and various plants in the landscape that are in need of replacement, and flowers for the gardens.

**Tools and Hardware:** This funds the purchase of misc. tools and hardware, flags for the buildings and parks, plastic bags for trash receptacles, padlocks, keys, 2cycle oil, saw chains, files, chain saw repairs, batteries, wire ties, light bulbs, park bench repairs, string, tape measures, RV antifreeze for winter shutdowns, gas cans, nuts, bolts etc.
