

STREET OPENINGS CLOSED FOR WINTER

As of November 15, 2011, the Department of Public Works has closed the period for digging within the layout of the Town of Natick's roadways and sidewalks. No street openings will be permitted.

This moratorium will remain in effect until April 17, 2012. If you have any questions, please contact the Engineering Division at the DPW at 508-647-6551.
