

I am interested in making two (2) amendments to Article 8.

Move to amend Article 8, Motion A -1 for the Natick Public Schools to add the words " , said funds to be expended under the direction of the Natick Public School Committee" after the words "Natick Public Schools" and before the words "Salaries and Expenses".

Move to amend Article 8, Motion G to delete the words "General Stabilization Fund" before the amount "\$2,000,000" and insert in its place "Stabilization Fund".

Best regards,
