

# ANNUAL TOWN REPORT 2011

Cover photography:

Front: Dan Schullman

Rear: Richard Pfeiff

The Town of Natick was honored to host the Vietnam Moving Wall on June 9-12, 2011. Years in planning, this exhibit at the Natick High School soccer field, which has since been rededicated to Vietnam veterans, was the work of a dedicated and capable committee that raised private funds and invested countless hours to pay tribute to the sacrifice of many people who have called Natick home, and to those throughout the region that served in Vietnam and whose friends and family did so.

The eleven wreaths shown on the cover honor the eleven Natick residents whose names are inscribed on the wall. Their rank, name, branch of service are as follows, along with the dates each gave his life in service to our nation.

1LT Arthur E. Wright III, US Army, November 25, 1966

HM3 Thomas S. Donovan, US Navy, June 3, 1967

LCPL Dennis M. Higgins, USMC, June 21, 1967

2LT Allen R. Loane, USMC, September 27, 1967

CPL, Keith M. Flumere, USMC, March 11, 1968

SSGT Dennis M. Poteat, US Army, March 30, 1968

PFC John M. Madden, Jr., US Army, April 25, 1969

1LT Roger D. Brown, USAF, August 15, 1969

EMC Eldon W. Tozer, US Navy, November 20, 1969

SP4 Kevin F. Lynch, US Army, September 9, 1970

CPL Richard B. Rinehart, US Army, February 15, 1971

Information about the Moving Wall visit to Natick is available at [MovingWallNatick.org](http://MovingWallNatick.org). The Town of Natick was honored by the respectful and patriotic visit of the wall and the efforts of those who worked to bring the Wall to Natick.

## *The 2011 Natick Town Report is dedicated to Natick Pegasus Station Manager Randy Brewer*

Randy Brewer is instrumental in connecting the work of local government, and of our many community institutions, with the residents of the Town. While Randy is usually behind the scenes, his talent and dedication are vital to Natick, and the dedication of this report reflects the Town's appreciation of his commitment and high standards.

Randy is a native of Natick, who attended Cole, Memorial and Lilja elementary schools and Kennedy Middle School, and graduated from Keefe Regional Vocational Technical school in 1995. Randy first became involved with public access television as a Kennedy 6<sup>th</sup> grader in 1988, and later volunteered at Continental Cable, a predecessor to Comcast. Randy also volunteered for the Recreation and Parks Department for the popular summer concert series, as well as the 4<sup>th</sup> of July Committee and the Natick 350 Committee.

Randy was first appointed by the Board of Selectmen to the Cable Public Access Board in December 2000, which later became the Board of Directors for Natick Pegasus in 2002. Shortly afterwards, he left the Board to work as the Government Channel Coordinator; he has been Station Manager since 2005.

To stay on top of what is happening with public access cable, Randy participates in the MetroWest Cable Forum and Mass Access where Randy and his peers discuss topics of interest. Public access cable is changing in Natick and elsewhere; there are fewer volunteers than in the past, and more professional quality production by staff. Looking ahead, streaming video over the internet poses interesting challenges and opportunities for Natick Pegasus.

Randy first was attracted by the technology, but now enjoys the power of what technology helps people accomplish. He appreciates the opportunity to work with organizations and groups all across Natick, and today Pegasus, and Randy Brewer are extensions of the work that many people do across the community, and the station helps connect people to the many events and organizations that define the Town.

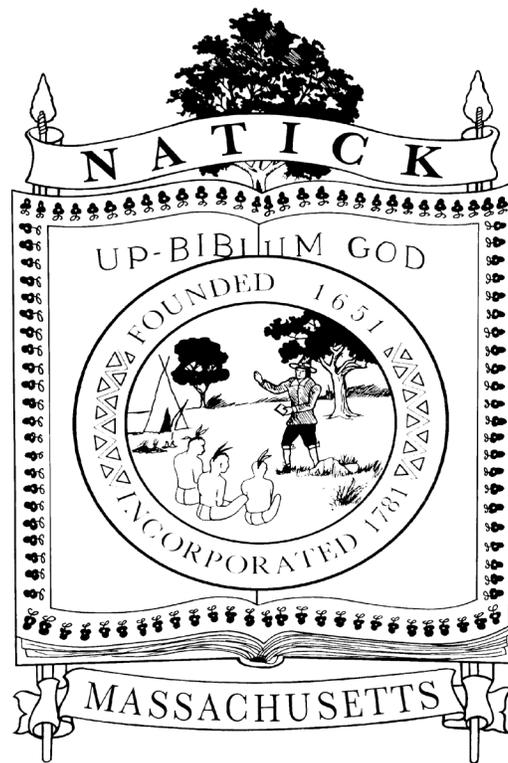

Randy sees how the cable public access is changing in Natick and beyond, with more work done by staff, and less by volunteers. The rise of streaming video over the internet is a challenge that Randy is eager to take on.

Randy is engaged to Michelle Lanoue, with whom he has shared his life since 2002. Their daughter Abigail was born in August 2011. The Town is well served by Randy Brewer.
