NATICK TOWN MEETING
MOTION FORM

I Paul E. Connolly of Precinct 6, Natick hereby move to

~~the Main Motion under Article # ____ of the current town meeting Warrant as follows:~~

~~Move that the Town vote to~~ amend the Proposed Rule Motion found on Page 14 of the Fincom Recommendation Book by adding a second paragraph after the existing paragraph as follows:

In a virtual Town Meeting, the procedure to identify items for removal from the Consent Agenda Motion is revised as described herein. The Moderator makes use of the request-to-speak list to identify the Town Meeting members who want to suggest a removal. After this step is completed, the Moderator calls upon each member on the list to speak in order to identify the item and to advise Town Meeting why that item needs to be handled in the usual place on the warrant. If no items have been suggested by this process, the Moderator declares that there is unanimous support that no items be removed from the Consent Agenda Motion. If there are items, then only those items will go through the seven-or-more-member-identification process for removal.
