

WANTED: YOUR UNIQUE POWER

The Town of Natick is mobilizing a team of heroes to activate its Net Zero Action Plan. Will you answer the call?

WEBSITE BUILDER

Help us build a rockin' website that connects residents to discounted pricing for solar panels and clean heating/cooling!

MARKETING GURU

How do we get more residents to opt-up to 100% clean electricity? That's where you come in.

BUSINESS DEVELOPMENT

Build relationships with area businesses and help us create a culture of energy use reporting. Bonus: other towns are involved too!

EVENT COORDINATOR

Help coordinate virtual "open houses" to showcase residents who are using heat pumps. We'll help get you started!

EV ADVOCATE

Ensure the EV community is represented in local projects, and join us in advocating for better electric rates for EV charging.

DELIVERY MAN - OR WOMAN

Deliver welcome packages to new homeowners that help them recycle right and get pumped up about our net zero plan!
