

Financial Aid:

To qualify for financial aid, you must first contact the Natick Service Council at 508-655-1791. Once you have completed your paperwork with them (if you qualify) they will send us confirmation and we can update your Community Pass account with your financial aid status. You may then register online and you will be charged accordingly to your financial aid status. PLEASE NOTE, we cannot adjust your account after you pay, we must have your Financial Aid paperwork on file PRIOR to registration. Financial Aid forms are good for the entire 2022 year.

If you have any questions, concerns or special circumstances, please reach-out directly to the Recreation and Parks Department prior to registering at 508-647-6530.

Payment Plans:

1. Families can register themselves in Community Pass beginning March 15 @ 12 noon. Register as normal and select all sessions and early care (if desired).
2. The initial deposit PER SESSION/ per person is \$100.00. Payment plans (and financial aid) are only visible at Confirmation and Check Out.
3. When you check out and make payment - choose the drop down option (do not choose FULL PAYMENT, which is the default option) but rather, use the drop down menu and choose PAYMENT PLAN. If you pay in full, we are unable to change this to a payment plan later. A \$100 deposit will be listed (per session) and then the following will be listed for future payments: (for example - "Child #1" is going to Session 1 (\$530-\$100 deposit = \$430 remaining, therefore \$107.50 per payment)
Payment on day of registration (ex. March 15) = \$100 (family registered first day of registration)

Remaining balance will be billed as follows:

- 25% due 4/1
- 25% due 5/1
- 25% due 6/1
- 25% due 7/1

4. Payment plans are available for Early Care with a \$0 deposit and 25% due at the start of each month.

Please note: These are NOT automatic payments. Please email recreation@natickma.org with "I authorize you to set-up auto payments on my Credit card with the last 4 digits of XXXX" **ONLY SEND THE LAST 4 DIGITS.**

****If initial registration takes place WITHIN the 3 day invoice "window" your first payment will combine the deposit amount (\$100/session) and the 1st payment amount. So then, there will only be three payments remaining. (Example - 'Child # 2" registers on March 30th. The initial deposit is \$100 + \$107.50 (4/1 payment) = \$207.50 since it was within the 3 day invoice window prior to April 1st.)
