

**Town of Natick  
Job Description**

<b>Position Title:</b>	Assistant Director, Farm	<b>Grade Level:</b>	2
<b>Department</b>	Community Services	<b>FLSA Status</b>	Exempt
<b>Reports to:</b>	Executive Farm Director		

**Statement of Duties:** Manage and educate a large, diverse, ever-changing work force comprised of seasonal help, youth, adult volunteers, and individuals with special needs. Oversee the management of all educational programs and staff in our school, public and summer programs sectors. Working closely with the Livestock Manager (non-profit staff) , coordinate educational programs to animal needs to ensure that daily care is maintained. Create both short- and long-term strategies to ensure that programs meet the needs of the community and our partners within the school system while adhering to the mission of the organization.

**Supervision Required:** Incumbent performs duties under the general supervision of the Executive Director. Incumbent develops work priorities in conjunction with the Executive Director. Performs most work independently using own judgement and following existing guidelines as appropriate.

**Supervisory Responsibility:** Provide assignments and direction to full-time, part-time, seasonal municipal and Natick Community Organic Farm Inc. (NCOF Inc.) employees, interns and volunteers. Assume all responsibilities for the farm in the Executive Director's absence.

**Accountability:** This position is highly accountable and incorrect actions or misjudgment would typically result in monetary loss, missed deadlines, potential injury, as well as legal repercussions, and adverse public relations

**Judgement:** Incumbent will rely on her/his strong judgement and problem solving skills in order to ensure for the health and safety of program participants, staff, visitors, and livestock.

**Complexity:** Duties require a high-level competency in the areas of multi-tasking, accuracy in task completion and planning.

**Confidentiality:** Must evaluate and maintain confidentiality regarding all matters of staff, volunteers, program participants, and other aspects of the nonprofit at all times.

**Work Environment:** Physical demands are always present in this work. Incumbent does a great deal of walking, running, bending, stooping, lifting, and carrying of heavy objects, Travel including driving a truck and other farm equipment is required. Stress may be caused by making the effort to handle numerous details at once. Work environment is a combination of indoors & out-of-doors, subject to the adversities of weather conditions.

**Nature and Purpose of Contacts:** Primary contacts are with Executive Director and NCOF Inc. Board of Directors for the purpose of coordination of work assignments and instructions. Daily contact with other farm staff and volunteers. Year-round contacts with a wide variety of program participants in both hands-on educational and classroom training situations. May present to the Board of Directors in the Executive Director's absence.

**Occupational Risks:** Safety is of utmost priority and all tasks must be evaluated to reduce or eliminate risk, Proper care of one's own body, especially back, knees, and hands are a must.

**Essential Functions:** The essential functions or duties listed below are intended only as illustrations of the various type of work that may be performed. The omission of specific statements of duties does not exclude them from the position if the work is similar, related, or a logical assignment to the position. To work toward the long-term success of NCOF, Inc., employee will:

- Assist the Executive Director in the operation of the Natick Community Organic Farm. Duties include the management of educational programs including, but not limited to the following programs:
  - All summer programs
  - Long term programs including the Farm Sprouts & Forest Gnomes Programs
  - Work-based programs including: Afterschool farmers, Farming for Homeschoolers, Youth Work Experience, Chore Time, Fridays on the Farm
- Work closely with the Community Programs Coordinator and the School & Scouts Programs Coordinator (non-profit staff) to ensure the delivery of daily, weekly and seasonal programmatic offerings for schools, visiting groups, the public and local agencies, including general and special needs populations in close cooperation with NCOF Inc. Board of Directors.
- Coordinate weekly educational programs to animal needs to ensure that daily care is maintained.
- Ensure for the upkeep and maintenance of the farm's physical plant and equipment including the farm's buildings and vehicles.
- Educate youth and adults on the principles of organic farming.
- Serves as a resource to the general public and farming community responding to visitors, phone and written correspondence.
- Collaborate with the Executive Director in the long-range planning for the farm. Make operational recommendations to the Executive Director and NCOF Inc. Board of Directors.
- Assume administrative and operational responsibilities for the farm in the absence of the Executive Director.
- Perform other related duties as assigned.
