For a Directory of Food Protection Manager Certification Exam providers and trainers, please refer to the MA Department of Public Health, Food Protection Program website:

www.mass.gov/lists/retail-food then follow the appropriate "Resources in Massachusetts" entry

This Directory can also be provided by our office upon request.

ALLERGEN AWARENESS CERTIFICATION

There are two vendors that offer allergen training:

- **Berkshire Area Health Education Center**
Phone: 866-976-2432
Website: www.berkshireahec.org
- **Massachusetts Restaurant Association**
Phone: 508-303-9905
Website: www.themassrest.org

CERTIFICATIONS CARRY A FIVE (5) YEAR EXPIRATION DATE

CHOKE SAVER CERTIFICATION

There are several resources available to get this certification.

You may contact the local American Red Cross, American Heart Association, or search for Choke Saver/First Aid Instruction providers in the telephone book or through an internet search.

On-Line computer training for the entire course does not meet the requirements for practical certification

If you require further assistance, please contact the Natick Board of Health 508-647-6460
